

Project Information

RUSH REQUEST:

Date: _____ Respond By Date: _____ Site Drawings Available: _____ Specifications Available: _____
 Project Name: _____ End Market/Land Use: _____ Application: _____
 Project City: _____ State: _____ Project Zip Code: _____ Funding: _____
 Design Status: _____ % Complete Permitted Approved Deliverable: Size/Cost Est. Proposal Drawing Quote

Bridge Geometry & Description

Style: _____ Sloped End Treatments: _____ Floor: _____ Deck: _____
 Span (ft): _____ Skewed Ends: _____ Camber %: _____% Finish: _____
 Width (ft): _____ Elevation Difference (ft): _____ Hand Rail Height (in): _____ Hand Rail Type: _____
 Clearance Requirement (LxW): _____ Top Chord Height Above Deck: _____
 Define Width: _____ Max Top Deck to Low Steel (in): _____

Loading & Design Requirements

Live Load (psf): _____ Vehicle Load (psf): _____ Foundation: _____
 Wind Pressure (psf): _____ Seismic Code: _____ Abutment Design: _____
 Snow Load (psf): _____ Design Code: _____ Use Existing Abutments: _____
 Additional Dead Load (plf): _____ ADA Compliant: _____ Stream Loading (ft/sec): _____
 Peak Water Depth Above Deck (ft): _____

Accessories

Roof: _____ Utility Hangers: _____
 Wood Rub Rail: _____ Safety System Details _____
 Bridge Lighting: _____ Type: _____
 Toe Plate: _____ Location: _____
 Bearing Type: _____ Finish: _____

Notes (Design Assumptions, Challenges, Constraints, etc.)
