

DuroMaxx® Safety Data Sheet/MSDS

From a material safety standpoint, DuroMaxx Steel Reinforced Polyethylene Pipe is an "article" meaning it is a manufactured item. An "article" means a manufactured item: (1) which is formed to a specific shape or design during manufacture (2) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (3) which does not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use. DuroMaxx meets the definition of an "article," and is exempt from the requirements of the Standard.
